Summer Camp Guide 2012

Online Registration Begins
February 1, 6 PM

Welcome to the Camp Guide 2012

Start planning now because summer will be here before you know it. As parents, my wife Jaki and I face the same challenges many of you face – how do we keep our daughters active and safe once school gets out for the summer.

The Department of Recreation & Parks' Summer Camp Guide is one of the first places we turn. They always do an outstanding job of creating a wide variety of summer activities and camp offerings to make summer fun for kids of all ages.

Why not gather the family together one evening soon and talk with your kids about your summer plans? Once you've decided what works for your family, check out page 3 for information on how and when you can register.

Finally, a quick reminder -- if you haven't done it yet, please take a few moments and sign up for NotifyMeHoward, a free service that delivers emergency alerts and other information directly to your inbox or mobile device to keep you connected, informed and better prepared. Receive severe weather warnings, public safety notifications and information on topics including Recreation & Parks' program, special events and volunteer opportunities. Go to www.NotifyMeHoward.org today and select the types of alerts you and your family would like to receive.

Have a wonderful, safe summer!

Although there's a chill in the air and long summer days seem far ahead, it's not too early to plan the perfect mix of activities to make your child's summer a memorable one. With the convenient Camp Planner (inside back cover) and tips on ways to search our camps database (center of this Guide), you'll be able to easily choose from over 100 camps and coordinate your family's summer schedule. On May 5, stop by the free Camp Fair at Centennial Park from 10 a.m. to noon, for more information about camps, as well as games, entertainment and a chance to win prizes. Thank you for choosing accredited Recreation and Parks camps. Enjoy your summer!

Concussion Information

What is a concussion?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild blow to the head can be serious.

What are some warning signs of a concussion? — For Immediate Attention Call 911

Signs Observed by a Parent/Guardian

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets sports plays
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

Signs Reported by the Athlete

- Headache or "pressure" in the head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, or groggy
- Concentration or memory problems
- Confusion
- Does not "feel right"

What should you do if you think a concussion has occurred?

1. Seek medical attention right away.

A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.

2. Keep your child out of play until medically cleared.

Concussions take time to heal. Don't let your child return to play until a health care professional says it's ok. Children who return to play too soon, while the brain is still healing, risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.

3. Inform all coaches about any recent concussions.

Coaches should know if your child has had a recent concussion. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell them.

4. Help your child return to sports safely after a concussion.

As your child's symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to activities after a concussion may need to

- Take rest breaks as needed,
- Spend fewer hours at activities and
- If in doubt, sit it out!

7-11 yrs / 1 wk, start dates below / \$185

This camp combines three things that kids love: clay, computers and movie making! Create a skeleton out of soft wire and cover it with special clay to make creatures and objects that will star in your movie. Make a background for your scenes and then take over 100 photos of your clay in "action."

Campers will download the photos in a software program that allows them to add titles and sound. With the press of a button, the computer converts the still images to a movie or animation. We will post your movie on the internet to share with friends and family. Campers work in teams of three or four. Register for two Dr. Furr camps in the same week and reduce the price to \$165 per camp. Registration: 410-313-7275. Information: Holly Harden, 410-313-4625 or harden@howardcountymd.gov.

New! Sciensational: Advanced Robotics -The Ultimate Experience

7-12 yrs / 1 wk starting Jun 25 / \$189

Build and take home the Jungle Robot, an advanced level robot. There are many steps in the assembly process, one of which is the gear box. See and learn how different types of gears mesh and are driven by a motor. Connect the motor, battery and microphone to a circuit board, which will program your sound activated (clap of the hand) robot. Working in small groups, you'll build different robotic creatures and vehicles. Test your creatures for speed, strength and endurance. The robots built in this section of the workshop are not taken home. They are taken apart and the parts are

reused to build yet another robotic creation. Tires, motors, gears, wires and controllers are used to move these robots across the floor. After making trial runs, you can modify your designs to increase your robot's level of speed and/or strength, to meet the testing challenge. Your robotic creations will be tested in sumo battles, tugs of war and vehicle distance timings. Registration: 410-313-7275. Information: Holly Harden, 410-313-4625 or harden@howardcountymd.gov.

Therapeutic Recreation & Inclusion Services

The Howard County Department of Recreation and Parks offers programming for individuals with disabilities in a variety of categories. The Department encourages individuals with disabilities to register for general recreation programs. The Department will make reasonable accommodations to facilitate the participation of an individual with a disability in any of our programs. The Therapeutic

Recreation (TR) section follows a procedure for providing these accommodations. It uses the Community Recreation Assessment and Accommodation Plan to provide Recreation and Parks staff with an understanding of the accommodation being made as well as disability awareness information.

- The request for accommodations takes place at the time of registration. If registering by phone or in person, you will be asked if you or your family member require special accommodations. This is a "yes" or "no" response. If you choose to provide additional information, the staff member will note this in the online notes that are visible to staff.
- During the online registration, you will come to an area that offers the following custom question: "Does the participant have an allergy, disability or any special accommodation request that we need to know about?" If you are requesting an accommodation, the answer should be "yes" and if not, "no." You will also be given an optional space to expand on your request in the notes section. This is viewed only by staff.
- For a fax registration form, you will notice a box for accommodations on the left. Check the appropriate areas and fax to 410-313-4660. A copy of the registration form or e-mail registration alert is forwarded to the Therapeutic Recreation Manager and Coordinator.
- For transportation with HT Ride Paratransit Certification contact: 1-800-270-9553.

Inclusion/Accommodations may include but are not limited to the following:

- a) training provided for program and inclusion support staff;
- b) an increase (not guaranteed) in staff/participant ratio (2 weeks advance notice);
- c) Sign Language interpretation for the deaf and hard of hearing;
- d) adaptive activity equipment and/or supplies;
- e) assistance in the provision of health services that do not require medical training; and
- f) financial assistance.

Accessibility Inclusion/Accommodations services don't include

- a) providing a separate area or alternate activities for a significant portion (more than 25%) of the scheduled structured program;
- b) exemptions of program rules and regulations regardless of ability or disability for the safety of all program participants and staff;
- c) guarantee of specific staff for programs;
- d) individualized therapy within a program; or
- e) purchasing of personal custom devices.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

For information, please see the "How to Register" and "Early Bird" section on page 3.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff are not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation and Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- verification of qualifying income level (2010 tax return required) or
- proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Scholarship Fund

You can make a tax-deductible contribution to our Scholarship Fund by signing up on the registration form. For more information visit our website or call 410-313-4683.

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as to not inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the camp starts will be given a full refund. Refunds requested within two weeks of the camp starting date will be charged a 20% administrative fee. Additional fees may be assessed to recover costs (shirts, supplies, equipment, etc.) associated with the program. There are no refunds given for missed camp days. Refund policies for licensed child care and therapeutic camps are on page 15 and 50.

Inclement Weather & Program Status Information

Inclement weather numbers are listed on page 5. Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, most outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.

- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation and Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at 7 AM, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7 AM, programs in schools in progress may be completed but those later in the day will be canceled.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- No food or beverages in unauthorized areas; glass containers are prohibited.
- No smoking in buildings or on school property.
- No soliciting or loitering.
- No interference with employee or volunteer duties.
- No harassment or inappropriate or indecent conduct or language.
- No unauthorized use of drugs, intoxicants or weapons.
- No parking in unauthorized areas or driving/parking on field areas.
- No alteration or installation of equipment (eg. basketball hoops, fences.)
- No defacing of property, indoors or outdoors.

Accommodations for People with Disabilities

The Department of Recreation and Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (A.D.A.) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed. We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To assure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Susan Potts, Therapeutic Recreation Manager, at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right

- to cancel a program for any reasonable cause;
- to deny registration or entry into a program when it deems necessary to assure public safety;
- to suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- to photograph programs, participants and volunteers for publicity purposes; and/or
- to adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.
